EXPERIENCE

@ Purvasha Folk & Tribal Odi Art Museum, Barkul	December 2023 – December 2025
Assistant Manager	Full-time
- Managed daily museum operations, visitor coordination, scheduling, and staff support. - Improved documentation, workflows, and internal processes. - Maintained computers, display systems, networking devices, and digital infrastructure. - Designed posters, exhibition materials, and promotional graphics. - Coordinated exhibitions and events. - Managed inventory records and administrative documentation.	

Key Achievements

- Improved operational efficiency by organizing workflows and documentation.
- Reduced technical downtime through regular system maintenance.
- Strengthened the museum's visual identity with consistent promotional materials.

@ Nanotech Computer Academy, Bidharpur	October 2022 – November 2023
Teacher	Part-time
- Taught computer fundamentals, Microsoft Office, internet usage, and digital skills. - Guided students in HTML, CSS, and beginner web development. - Conducted practical lab sessions and assignments. - Prepared learning materials and maintained computer lab systems.	

Key Achievements

- Trained **100+ students** in practical computer and digital skills.
- Improved learning through hands-on teaching methods.

- Designed posters, thumbnails, branding assets, and social media graphics.
- Edited videos for news, interviews, and digital platforms.
- Worked with editorial teams to deliver content on time.
- Organized project files and creative workflows.
- Built responsive websites and web pages for media projects.

Key Achievements

- Improved visual consistency across digital platforms.
- Delivered creative assets within tight publishing deadlines.
